# Brabin's Newsletter 3rd September 2024

Welcome to the new school year - we hope you all had an enjoyable summer in which lots of memories have been made! A special welcome to our new Reception Class.

We have a busy term planned with lots of new and exciting opportunities! Please see the class pages on the school website to see what the children will be learning this half term.

### PE Days and Outdoor Learning

Please ensure that all of the children have their full PE kit in school; the kit will be sent home regularly for washing.

Please note that jewellery cannot be worn for PE lessons. A reminder that Y1/2 pupils will be taking part in Forest School sessions on Thursday afternoons this half term, so they will need appropriate clothing on these days. Finally, please ensure that your child has named wellies in school as this will allow them to access outdoor activities.

### Consent and Data Forms

The children will be bringing home data and consent forms tomorrow.

Please return by Monday 9<sup>th</sup> September so we can update our school information. It is important that we are in possession of accurate details.

### Extra-Curricular Clubs

### Newsletter

Newsletters will continue to be available on alternate Mondays. These will be available to view on the school website and will also be emailed via Parentpay. Please amend your account if you change your email address. This will ensure that you continue to receive school information.

### Health and Safety

Please ensure that children are not left unsupervised on the playground before 8.45am. This is a safeguarding policy aimed at maintaining the children's safety at all times. We also ask that children do not climb or sit on the school wall.

Please also note that it is L.C.C. policy that dogs are not allowed on the school grounds.

We do appreciate your support and understanding with these matters.

### Phonics Information Evening

All our current Reception parents are invited to a short, informal session on how to support your child with phonics at home. The event will provide an opportunity to see how phonics is delivered in school.

This meeting will take place on **Friday 20th September at 3.25p.m.**

## Water Bottles

Please ensure that the children bring a water bottle into school each day. The children are encouraged to drink water at various parts of the day.

Please ensure bottles are non-spill as many school books have been damaged in the past. School water bottles are available from the office.
