Serving its Community
For over 320 years

Dear Parents,

As part of Safer Internet Day, we are sending home a small family project. For this, the Tech Team would like the children to design a Brabin's online safety mascot. Could the children give the mascot a name and write what it stands for including why online safety is important at Brabin's and add our logo to the design. The children can draw, paint, use collage or make a model for this.

We will choose a mascot to include on our website and newsletters. Please find the attached sheet to complete, you can use your own paper, or copies are available at the school office. Please could the children return their mascots to school by Monday 10th February.

Many Thanks
Miss Doxey

Mascot design

A large, empty rectangular box with a thin black border, intended for drawing a mascot design. A horizontal line is drawn near the top of the box, approximately 10% of the way down from the top edge.
